

UCLA Brain Research Institute (BRI)

Presents

NeuroCamp 2019

BRAIN
RESEARCH
INSTITUTE
UCLA

SYNOPSIS

NeuroCamp is a **FREE** BRI outreach program that brings together a group of 15-20 highly motivated high school students in a centralized lab setting. Students learn the fundamentals of neuroscience and basic lab techniques in Molecular Neurobiology, Neurophysiology, and Neuroanatomy.

NeuroCamp 2019 will be held at UCLA over a two-week period (on the Tuesday, Wednesday, and Thursday of each week):

| | | |
|----------|-------------------|---------------|
| • Week 1 | August 5, 8, 9 | 1:30pm-4:30pm |
| • Week 2 | August 12, 15, 16 | 1:30pm-4:30pm |

The overall goal of the program is to provide an exciting and rewarding introduction to research in neuroscience to a broad range of high school students from the Los Angeles area. NeuroCamp intends to stimulate an interest in college as well as an educational path leading to a career in science.

Program Inquiries (please no applications):

William Grisham, Ph.D., NeuroCamp Director, grisham@lifesci.ucla.edu

Application Inquiries:

NeuroCamp Coordinator, bri@mednet.ucla.edu

APPLICATION REQUIREMENTS

In addition to the questions that you will be asked on the application, you will also need to include:
