

NeuroCamp 2022

SYNOPSIS

NeuroCamp is a **FREE** BRI outreach program that brings together a group of 15-20 highly motivated high school students in a centralized lab setting. Students learn the fundamentals of neuroscience and basic lab techniques in Molecular Neurobiology, Neurophysiology, and Neuroanatomy.

NeuroCamp 2022 will be held at UCLA over two weeks:

Week 1	June 13 – 17, 2022	1:30 pm - 4:30 pm
Week 2	June 22 – 24, 2022	1:30 pm - 4:30 pm

The program's overall goal is to provide an exciting and rewarding introduction to research in neuroscience to a broad range of high school students from the Los Angeles area. **NeuroCamp** intends to stimulate an interest in college and an educational path leading to a career in science.

Program Inquiries (please, no applications):

William Grisham, Ph.D., NeuroCamp Director, wgrisham@g.ucla.edu

Application Inquiries:

NeuroCamp Coordinator, bri@mednet.ucla.edu

APPLICATION REQUIREMENTS

In addition to the questions that you will be asked on the application, you will also need to include:

- (1) **Resume**
- (2) **Letter of Recommendation**: Please provide a letter of recommendation from a teacher or mentor. The letter of recommendation will need to include a handwritten signature, teacher contact information, and the letterhead of the affiliated school.
- (3) **Statement of Interest**: Please provide a brief written statement of why you are interested in participating in the summer program.

Application Due Date:

The application, along with your resume, letter of recommendation, and statement of interest, are due by **Sunday, May 1, 2022.**
