

THE BRAIN RESEARCH INSTITUTE AND THE SEMEL INSTITUTE

Neuroscience Undergraduate and Graduate Student Travel Awards

*****Open to All Currently Enrolled Undergraduate and Graduate Students in all Neuroscience Departments*****

Awards

BRI/Semel Neuroscience Undergraduate Travel Award: The Brain Research Institute and Semel Institute for Neuroscience & Human Behavior will provide travel awards to undergraduate students to the 2025 SfN Meeting. To be considered for this award, you must be a first and presenting author on a SfN abstract.

BRI/Semel Neuroscience Graduate Travel Award: The Brain Research Institute and Semel Institute for Neuroscience & Human Behavior will provide travel awards to graduate students to the 2025 SfN Meeting. To be considered for this award, you must be a first and presenting author on a SfN abstract.

Application Requirements

All applications *must* include the following in one PDF document:

1. Letter of recommendation from a mentor that explicitly states what role the student has in the research.
2. CV
3. Copy of the SfN abstract receipt confirming submission by the September 10 deadline (including both regular and late-breaking abstracts). The receipt must include the control/tracking number, title, full list of authors, and the abstract text.
4. Completed BRI/Semel Supplemental Form (see attached form)

Please send all application materials in one PDF document to Joe Quintero (jmquintero@mednet.ucla.edu) by Thursday, October 30, 2025.
